Blue Devils Short On Reserves; First Game Next Friday

With only a week remaining until the Pahokee Blue Devils open their 1951 football schedule when they meet the Clewiston Tigers on Lair Field Friday night, Sept. 21, Coach W. A. Kendrick and his assistant, Bill Howard, are giving the Pahokee squad the works in rough and tumble scrimmage sessions every evening until around dark.

There is a lot of work yet to be done in smoothening off the rough edges of the Blue Devils' plays from single wing formation. With only 25 players to work with Coach Kendrick is still keeping the boys pretty well spread in two opposing scrimmage teams fighting for first team positions.

Kendrick sees as his biggest problems during the coming season the lack of ample reserve strength and the training of inexperienced players in time for the season to be effective before the season advances too far. An immediate problem will be to stop a reportedly strong Clewiston team which is sparked by the brilliant running of their Little All-State Tailback Ray Pittman.

The Pahokee Blue Devil 1951 squad to date includes Carney Wilder, Bobby Schroder, Bill Hatton, Buddy Howell, Russell Million Jack Bolland, Gordon Hoyle, Thomas Elliott, Donald Williams, Leland Beaton, Hal Rosenberg, Harry Levins, Morris Hughes, Robert Carlton, Farris Kincaid, Eugene Caruthers, Dick Atkins, Tommy Sheppard, Charles McCurdy, Lewis Pope, Robert Goodson, Willard Johns, Benny Sims.

Housing Project Gets A Temporary Setback, Vann Says

The Pahokee Housing Authority is in receipt of an official communication from the Public Housing Authority in Washington saying that a reduction of 60 percent has been made in public housing allotments for the year ending June 30, 1952.

The project being pushed by the Pahokee authority is "not" high enough on the priority list to be included in the remaining 40 percent to be built during the coming year, the communication pointed out.

James H. Vann, executive director of the local authority, said yesterday preliminary plans will go ahead and all other work incidental to getting things set up and ready for the project will be expedited in order that construction can start immediately upon the "go ahead" sign from Washington after the June 30, 1952, deadline.

All preliminary work will be carried on and completed as soon as possible so that just in case some area assigned a housing project should fall down during the coming year, the local project will be processed and ready to go on a moment's notice.

Garden Circles To Meet Next Tuesday

The four circles of the Pahokee-Canal Point Garden Club will hold their first meetings of the season on Tuesday, Sept. 18. The program topic at each circle meeting will be "Vines and Preparation of Soil." Members will answer the roll call at each of the meetings by giving a garden hint.

The meeting will be held as follows: Hibiscus Circle, home of Mrs. H. M. McIntosh, with Mrs. Lloyd Hundley, co-hostess, 10 a. m.; Poinsettia Circle, home of Mrs. J. T. Platt, with Mrs. Jess M. Elliott in charge of the program, 3 p. m.; Ixora Circle, home of Mrs. Claude L. Shirley, 3 p. m.; Gardenia Circle, County Park community building in Canal Point, with Mrs. Harold Rosenberg and Mrs. Joseph Rosenberg acting as co-hostesses. Mrs. F. M. Wilson will be in charge of the program and there will be a plant exchange.

Lt. Simmons Tells Pahokee PTA Of Safety Program

Lt. H. Lee Simmons, head of the Florida Highway Patrol district office in Pahokee, was guest speaker at the September meeting of the Pahokee Parent-Teacher Association in the high school auditorium Monday night, this being the first regular meeting of the current school year.

Introduced by Principal Clyde A. Canipe, Lt. Simmons explained to PTA members the "Dopey Duck Safety Program" which was originated by Traffic Officer of the Miami Police Department. The non-profit safety program is for fourth, fifth and sixth grade children. PTA voted to sponsor this safety program at the Pahokee School.

It was announced members of the Pahokee High School Band are selling ads for the football programs this fall, this being the band's only fund-raising project. The public is asked to cooperate.

Principal Canipe introduced the new teachers and Ned Kocher, vice president, who presided in the absence of Mrs. Mildred Schoepel, president, introduced Mrs. Mallory, formerly of Virginia, head of the exceptional children's school at the Pahokee Camp.

The monthly attendance awards went to Mrs. Sarah Thomas's sixth grade at the elementary school and to Mrs. J. R. York's seventh grade group at the junior high school.

Illegal Vote Ties Council Election City Belle Glade

Seating of three newly-elected city commissioners and naming of a mayor were postponed in Belle Glade last night when an admitted illegal vote cast in Tuesday's municipal election left results for one post up in the air.

City Clerk, Frank L. Anderson announced at the City Commission meeting that Harry Leibovt had signed an affidavit he had unintentionally voted illegally. Although he had registered in Belle Glade in May, 1950, he stated, he had subsequently moved to Chosen and about four months ago moved back to Belle Glade.

Local law requires residence in the city for 12 months preceding an election.

With Liebovitz's vote ruled invalid, Anderson said, the Northboro commissioner, race ended in a tie. Unofficial returns Tuesday night gave the post to H. O. Carlton over incumbent Junius Harris by a count of 266 to 265.

The referendum bill passed by the State Legislature was decisive ly defeated.

The returns:
Northboro—Carlton, 266; Harris, 265, and W. K. Whitlock, 146.

Centralboro—Collins, 268; A. J. Richmond, 247; C. S. Livingston, 114, and E. R. Price, 51.

Westboro—Close, 360, and O. F. Thomas, 321.

Referendum—508 against, 169 for, and 47 spoiled ballots.

Mr. Anderson said the bill would have given commissioners power to establish a public market, loading zones, and various park facilities and to issue revenue bonds to finance them.

Joint Installation Of Legion Groups Canal Point, Sep. 19

On Wednesday, Sept. 19 a joint installation of Legion and Auxiliary officers will be held at Community Building in county park at Canal Point, according to announcement by officials of the Canal Point Legion.

Legion officials from Clewiston, South Bay, Belle Glade, Pahokee and Canal Point will be installed as well as Auxiliary officials from all the towns.

A chicken supper will be served and reservations must be made no later than Sept. 18. A charge of \$1.00 will be made for the supper which is to be served after the installation ceremony.

Lou Duncan, department commander of Fort Lauderdale, will be the installing officer for the Legion groups. Mrs. Sutcliffe of West Palm Beach will be installation officer for the auxiliaries.

Back in 1944, the horse Pavot went through his entire juvenile campaign without losing a race. His first off-spring started off the same way this past winter at Hialeah. Time For Fun made his racing debut a winning one in a hialeah "baby" race.

Arch Blakey Loses Hand In Accident

Arch Blakey, Pahokee contractor, lost his left hand in an accident Tuesday morning around 9 a. m. at Port Mayaca where he had started construction on a warehouse for Bessemer Properties.

Mr. Blakey was using a dragline with pile driving attachment to set the piling for the foundation of the building. R. T. Smith, operator, had set the brake on the driving weight while it was about eight feet in the air and he and Mr. Blakey were inspecting the piling when the vibration of the dragline's running motor worked the brake loose, releasing the hammer. Mr. Blakey had his hand resting on top of the piling when the hammer hit with full force, completely crushing it and it had to be amputated just above the wrist. He was taken to the Everglades Memorial Hospital for treatment.

PTA Group Hears Supt. Watkins At Regular Meeting

The Canal Point Parent-Teacher Association held its first meeting of the school year in the school auditorium Monday night, with L. V. McClelland, the new president, presiding.

Following the invocation by Rev. J. R. Roy, A. Q. Howell, member of the County Board of Public Instruction, introduced County Superintendent Howell Watkins who outlined work plans for the County school system during the coming year.

Principal Claude Williams introduced members of the teaching staff at the Canal Point School and each was presented with a gift by Mrs. Boyd Vorhees in behalf of PTA.

Reports on the PTA National Convention last June were given by Mrs. R. T. Smith and Mrs. C. L. Stuart who attended as local delegates.

Room mothers for the year were named as follows: First grade, Mrs. Jake Williams, Mrs. W. N. Veal, Mrs. Charles Jones and Mrs. Pope Sears; second grade, Mrs. W. C. Young and Mrs. Bill Johnson; third grade, Mrs. Charles Yoernans and Mrs. Osceola Upthegrove; fourth grade, Mrs. R. T. Smith and Mrs. L. C. Livingston; fifth grade, Mrs. J. W. Repper and Mrs. Boyd Vorhees; sixth grade, Mrs. Wade Ammons and Mrs. D. L. Hooks; seventh grade, Mrs. Charles Hitchcock and Mrs. C. L. Stuart; eighth grade, Mrs. J. D. Latham and Mrs. P. Turbeville.

The monthly attendance award was won by Mrs. Vivian Mercer's sixth grade room.

Following the meeting PTA members honored the school teachers with a reception. The auditorium was decorated for the occasion with floral vines spotted with hibiscus blossoms of many hues. Refreshments of punch and cake were served. Hosts were new PTA officers including Mr. and Mrs. L. V. McClelland, Mrs. Osceola Upthegrove, Mrs. Arnold Scruggs, Mrs. J. P. Parker, Mrs. C. L. Stuart and Mrs. R. T. Smith, who acted as chairman of the refreshments committee for September.

Tax Expert To Tell Civic Clubs How To Make Returns

C. Webb of Tampa chairman of the Florida Game and Fresh Water Fish Commission, was guest speaker at the Thursday luncheon of the Pahokee Rotary Club. Introduced by Ellsworth Keen, program chairman, the speaker gave a talk on "Conservation Problems" and explained what the commission is doing to protect Florida wildlife and fresh water fish.

President Harold Rosenberg announced the Pahokee Rotary Club will hold a special luncheon meeting in the County Park community building in Canal Point on Thursday, Sept. 20, at 12:15 p. m., with members of the Canal Point Lions Club, the Pahokee Lions Club and the Belle Glade Rotary Club invited to attend. Guest speaker will be Charles Moorehead, Miami attorney, and Mr. Hayes, manager of the trust department of the Biscayne Bank in Miami, both of whom are experts on the interpretation of income tax laws. They will be introduced by Tilly Walker of Hollywood and will explain legal methods of saving on income taxes. Every club member who attends this meeting has the privilege of bringing a guest.

News Notes From State Capital

TALLAHASSEE — Under the new ownership of the Floridan hotel here, students taking the restaurant and hotel management courses at Florida State University will do their laboratory work in a real hotel. The Floridan, scene of much political caucusing since 1926, recently was sold by a local group of stockholders to the Alsonett hotel group, headed by C. H. Alberding of Tulsa. It has bought a block back of it from the Tallahassee Democrat to use for parking, and will remodel and refurnish the interior. FSU students will trade services for experience.

TALLAHASSEE — State Senator LeRoy Collins of this district has removed himself as a possible candidate for governor of Florida next spring. The Leon attorney, who has made an enviable record in sponsoring education laws in recent legislative sessions said he will support Dan McCarty as he did four years ago.

TALLAHASSEE — Monday, September 17, will be opening day at Florida State University for new undergraduates. Graduate students and former students will register September 21 and 22. The week will be given over mostly to orientation for new and old students. On Wednesday and Thursday, the new chapter of Delta Gamma sorority will be installed, and will start moving into their home on College avenue. Incidentally there has been no effort this fall to change the name of the street: leading from the center of the business district to the university gates. It was called College avenue in the many years when the school was Florida State College for Women. Since it became a university in 1947, suggestions were made to change it to University avenue, but city commissioners who spent their boyhood days on College avenue indicated they would not vote to change.

TALLAHASSEE — First application by an electric utility for increased rates has been received from the Florida Power Corporation. It asked the state railroad and public utilities commission to restore rates knocked down by the Pinellas county utility board, and to give it an escalator clause hitched to the price of fuel, so future rates could go up or down within a range determined by whether fuel oil increases or decreases. The company claims if it can have the rates restored to what they were before the county board operated on them, it can earn a little more than 5 per cent on its investment.

TALLAHASSEE — A turnpike to speed motor traffic between Jacksonville and Miami may be studied at the suggestion of State Road Department Chairman Alfred A. McKethan, to determine if it can be financed. The chairman said the project is entirely feasible, and would release the many bottlenecks which impede traffic up and down the Florida east coast. The turnpike would be an alternate route, and would not replace present roads. Meantime the administration has received a bid to buy \$21,250,000 in bonds to build the lower Tampa Bay Bridge. Other projects now underway or planned include the \$50,000,000 expressway at Jacksonville, the addition to the Grandy Bridge, tunnel and bridges over New River in Broward county, expressway and causeway system for Miami, and a bridge between Stuart and Atlantic Beach.

TALLAHASSEE — Governor Warren has named W. Glenn Miller of Monticello to the state board of control, which has supervision over the schools of higher learning and for the deaf and blind. Miller replaces N. B. Jordon of Quincy whose term has expired and asked to be relieved after two 4-year

terms. Miller graduated from Emory, is a hardware dealer and president of the Monticello Kiwanis club.

TALLAHASSEE — Bolstered by a formal opinion from Attorney General Ervin, the state cabinet this week gives further consideration to a request for \$20,000 from the Haley investigating committee to carry on work which it claimed it couldn't finish in the legislative session. Ervin said the dangers and perils confronting the state from organized crime which the Haley committee expects to investigate make such an appropriation of emergency funds quite proper.

TALLAHASSEE — Governor Warren has issued a formal challenge to U. S. Senator Herbert R. O'Connor of the senate crime committee to point to any testimony taken by the committee which shows gambling continues to exist on a large scale in Florida. Governor Warren called "falsehoods" several statements in the recent committee report which he attributed to O'Connor.

Mr. and Mrs. Louis Vann and family have returned from Sarasota where they were called recently by the illness of his brother, Herbert Vann.

Motor vehicle taxes were the biggest money raiser for the state government last year, providing 43 per cent of all state tax revenues.

Church Circles Will Meet Monday

The five circles of the Pahokee First Methodist Woman's Society of Christian Service will meet Monday, Sept. 17, as follows:

Mary Martha Circle, home of Mrs. John E. Wilson, 8 p. m.; Gertrude Shirley Circle, home of Mrs. L. J. Fraser, with Mrs. John A. Dulany, co-hostess, 8 p. m.; Mabel Simonson Circle, home of Mrs. G. W. Byrd, Sr., 3:30 p. m.; Margery Lair Circle, home of Mrs. Ronald Watson, 3 p. m.; Miriam Circle home of Mrs. Melvin Spooner, 8 p. m.

Seven Year Old Has Fractured Arm

Sue Maxson, seven-year-old daughter of Mr. and Mrs. Ralph Maxson, suffered a fractured arm while playing at the home of her grandparents, Mr. and Mrs. N. V. Maxson, Sunday.

Mr. and Mrs. Ralph Maxson and children recently moved from Bogalusa, La., to Canal Point where they are making their home in the Keen residence. Mr. Maxson is taking an advanced course in the veterans farm training program and will assist his father with farm operations during the coming season.

Pioneer Growers Plant Will Cost Near Half Million

Piling have been driven and workmen are now pouring the concrete floor and frames for the second floor and roof of the fire-proof packing house and distributing plant for the Pioneer Growers cooperative in Belle Glade.

The new plant, to cost about \$500,000, will replace one destroyed by fire last Dec. 3. It is being erected on a new site, a 66-acre plot located north of Belle Glade city limits on the airport road. The Florida East Coast Railway is running a spur to the location which is bordered by hard roads.

The building is to be the largest of its kind in the Glades and will have an approximate floor space of 60,000 square feet. It will be all concrete reinforced with steel. Fred Roemer, Belle Glade contractor in charge of the construction said it is to be ready for occupancy by Dec. 1.

The plant is to be equipped with a modern precooling plant and cooling and storage rooms, able to handle 40 cars of produce a day. During the past season the cooperative processed 1,968,205 packages.

The cooperative is a consolidation of the former Pioneer Growers and Belle Glade Farmers cooperative. Frank C. Dooley is general manager of the firm; E. A. McCabe, sales manager is assisted by Guy D. Wood and James H. Wilson. J. H. Chamberlain is president of the board of directors; James A. Ball, vice president; Fritz Stein, Arthur Wells, A. J. Sullivan, I. L. Price and Frank Wilson, are members of the board. The cooperative numbers 23 members.

Milk Production Will Be Surveyed

GAINESVILLE—A comprehensive statewide survey of milk production costs made by the Department of Agricultural Economics of the University of Florida discloses the basic reasons for Florida milk prices.

The survey made by Dr. A. H. Spurlock, Dr. D. L. Brooke and Prof. R. E. L. Green is published in a 20-page bulletin and may be obtained from the University.

The report discloses that milk is produced for sale on more than 1,200 farms in the state and that seasonal factors affect production cost. These costs vary in different areas dependent on local situations price of various items such as feed, labor and supplies.

"Dairy feeds are largest single item of production cost, averaged from 47.9 percent to 56.3 percent of the total cost. Other items of production cost were: hired labor unpaid family labor, operator's labor and supervision, miscellaneous expenses, depreciation on herd, and interest on investment.

"The average price per gallon (received by the producer) for all milk sold, varied from 60 c in the Miami Area to 55.5 cents in the St. Petersburg Area.

"Income exceeded cost by 4.3 cents per gallon in the Miami Area 4.2 cents in the Palm Beach Area, 2.1 cents in the Jacksonville Area, 1.3 cents in the St. Petersburg Area, and 0.4 cents in the Tampa Area. If failed to equal cost by 2.3 cents in the Orlando Area.

"The average capital investment of the operator varied from \$38,450 in the Orlando Area to \$146,111 in the Miami Area. Total investment per cow was \$424 in the Orlando Area and \$332 in the St. Petersburg Area. About 50 percent of the total investment was in livestock, 25 percent in land and 25 percent in other miscellaneous equipment."

A nationwide survey of Milk Sales and Distribution Costs and Profits, made by Purdue University, Indiana, has disclosed the fact that the net profit on a quart of milk to the milk plant is less than 1-3 of a cent.

Student Council In New Term Meeting

The Pahokee High School Student Council held its first meeting Tuesday to outline preliminary plans for the new school year.

Council officers this year include Charles McCurdy, president; Ann Atkins, vice president; Rita Faye Hurt, secretary, and Joyce Lynn Hurt, treasurer. Representatives elected by the various grades to serve on the council are Millard Stanley and Ada Tillman, 12th grade; Sylvia Wilson and Eleanor Walker, 11th grade; Frances Wilson and Wiley Howell, 10th grade; Jimmy Schoepel and Ronny Elliott, ninth grade; Jeannine Mock and Val Gabaldon, eighth grade; Betty Raineri and Leroy Rockwell, seventh grade.

Several Road Jobs Under Way Glades

With one road project completed, residents of the Everglades can look forward this week to improvement of two other highways that form a part of the Palm Beach County network of roads.

This was disclosed Monday by Paul Rardin, Canal Point, chairman of the County Commission, who said that State Road Department is scheduled to let the contract for improvement of Bolles Canal Road this week.

The state group, Rardin said, is meeting this weekend at Clewiston and Ft. Myers and during the session will open bids for paving more than a mile of the Bolles highway.

Rardin also reported that the Rubin Construction Company this week started resurfacing a stretch of road between Twenty Mile Bend and Six Mile Bridge—a distance of 14 miles.

County crews, the chairman said, have completed construction of a mile-long rock road at Lake Harbor.

The Glades road projects were discussed at the commission meeting Monday when the board made plans to step up moving county maintenance headquarters from Morrison Field which has been taken over by the Airforce.

The commission voted to accept the bid of the Armo Drainage and Metal Products Company for construction of a third steel building at the site of the new maintenance headquarters on Congress Ave. Bids for two other buildings, were let by the commission two weeks ago.

Also in connection with the airbase, the county turned down a request from the Industrial Engineering Corp., a tenant at the airbase, for compensation from the county because the plant has to be moved from the field. The metal firm said that production schedules of defense contracts which the firm has, would be interrupted if the company was obliged to move now.

The commission voted to take necessary legal action to evict the firm if the operation was not off the field within 30 days — the same time limit given other tenants to move off the base.

Other actions by the commission included:

Adoption of a resolution naming the county park at Riviera Beach Phil Foster Park, in commemoration of Mr. Foster, father of Commissioner Kenneth Foster and pioneer resident of Riviera Beach.

Heard a report that construction of the Atlantic Ave bridge at Delray Beach is slated to get underway in the near future.

Approval of a supplemental agreement with the FEC Railroad for widening a rail crossing in Riviera Beach from 20 to 32 feet.

Approved right of way agreements with the state road department on the Boynton Beach East Road; Congress Ave between Lantana and Lake Worth.

Heard a report that a legislative act which provided for an election to ballot on establishment of a sanitary sewer district in the Palm Beaches had been termed valid by the courts. The commission was ordered to call an elec-

Orlando Prepares For Winter Tourists

ORLANDO — Orlando tourists and visitors won't find themselves wanting for entertainment or something to do this winter.

The Greater Orlando Chamber of Commerce reports the engagement of B. H. Overpeck, long-time entrepreneur, as director of visitors' events.

Long experienced in the entertainment field, Overpeck is already busy setting up an events program that is sure to appeal to the thousands of winter visitors who flock to Orlando each season.

These events will be staged from November through May and will include band concerts, card parties, dances, community signs, lectures, vaudeville shows, theatrical entertainment and the like.

CFB Presidents Leave For Home Today

WINTER PARK—County Farm Bureau Presidents throughout Florida will break camp and return to their respective homes Friday afternoon, (Sept. 14). They have been attending the annual "President's Conference" at Camp O'Lea on the banks of the Santa Fe River in North Florida's Columbia County.

Each year the Florida Farm Bureau invites leaders of the county organizations to meet for a three day get-together. The local presidents exchange ideas and get answers to many of their problems from a cross county-lines, according to Loring Raoul, President of the state organization. "We think it important that farmers in north Florida get to know their fellow farmers in south Florida and vice versa," Mr. Raoul said in a statement today. "This helps build a strong state-wide organization, which is necessary to represent agriculture in the halls of the state and national capitals."

Approved authorization for members of the commission, County Attorney Harry Johnston and County Engineer J. M. Boyd to attend the State Road Department meeting this week.

Heard a report from Ellis Altman, county civilian defense director, which disclosed that a civilian defense program will be initiated in all county schools during the next month.

Unemployment Down Slightly Last Week

TALLAHASSEE — Unemployment descended slightly the week of August 20-24 as total payments were reported at \$7814 less than the previous week with 25 fewer unemployed receiving checks. Raymond E. Barnes, Chairman of the Florida Industrial Commission affirmed in weekly reports today.

Computed totals showed that \$240,565 in insurance was shared by 14,362 unemployed workers in the state.

Within Palm Beach County 444 of its unemployed received \$718. of the state's total.

Six of the sixty-seven counties reported no unemployed receiving the state's large average check payment of \$167.50, while within the larger counties, Hillsborough and Polk, over 2000 unemployed were paid and over 1000 in Dade and Orange.

Poster To Carry Likeness of Marine

JACKSONVILLE — When the Marine Corps recruiting poster is displayed through the State of Florida during September, it will carry the likeness of Marine Master Sergeant Eddie E. Evans, the Marine Corps' public information sergeant for the State of Florida.

Sergeant Evans posed for the poster which depicts a Marine corporal in green uniform with a Garand rifle, and carries the legend, "Over the ramparts they watch," two years ago while serving with the Marine Corps in New York City. Although the subject of the poster is a corporal, Sergeant Evans, at that time a technical sergeant, accepted a temporary "bust" for the purpose of modeling for the recruiting sign.

This marks the second time the Evans, a Marine for the past thirteen years, has been the subject of a Marine Corps recruiting poster.

Dreams For Getting Rich Fade Away

FT. LAUDERDALE—Dreams of sudden wealth faded for a number of beachcombers, who have found gobs of strange looking material that they thought was ambergris, a secretion from sperm whales used in the manufacture of perfumes and extremely valuable.

Their hopes were dashed when samples sent to the Marine Laboratory at the University of Miami reported that it was a wax used in polishes, gathered from palm trees in Africa. The supposition is that a ship carry such cargo was sunk off shore and the gobs of wax floated ashore.

Ann Rockwell, Anna Lee Hurt and Charles McCurdy, Horace Scruggs, Dickie Atkins, Four Bars of Harmony, Bobbie Schroder, Louise Hutton, Jimmie Reeser and Franklyn Howell, Carolyn Scruggs, Milton Carpenter and Carol Carpenter, Millard Stanley and Mrs. Stanley at piano, Elliott and Collins and yours truly, who MC'd the show. I want to say here that I was immensely proud of the whole affair. Everyone gave a perfect performance and those guests at the hospital were loud in their praise and applause. The greater part of our audience was the unseen . . . fellows not able to get out of bed and make it to the theatre. I understand we had not less than 600 of these fellows. Last year we took a minstrel show to these boys and they begged us to come back soon. This year they want us back real soon and have asked for a minstrel show on our next visit. Those wonderful fellows who gave so much for us and never complain are deserving of everything we can do to make them a little more comfortable. Performing for such an audience is an honor and a privilege that humbles one when in their presence. God bless everyone of them . . . See you at the movies — Mal.

Sorority Has First Meeting Of Season

Members of the Beta Omicron Chapter of the Beta Sigma Phi Sorority held their first meeting of the season at the home of Mrs. D. W. Cunningham Monday night with the president, Mrs. Norman Kennedy, presiding.

It was announced the chapter theme for the coming year will be "Happiness." Mrs. Frank Handley, program chairman, called upon each member to relate her vacation experiences during the past summer and to express her vacation desires for next summer.

Mrs. Cunningham was assisted with the serving of refreshments by Miss Bette Lou Pickett, co-hostess.

Funeral Services For Henry Barwick

Funeral services for J. Henry Barwick, 54, pioneer resident of Pahokee, were held at the Elks Hall in Pahokee Thursday, Sept. 13, at 10:30 a. m.

Mr. Barwick was stricken with a heart attack Monday afternoon while watching football practice on Lair Athletic Field and died a few minutes after arrival at the Everglades Memorial Hospital around 5:30 p. m. He came to Pahokee from Thomasville, Ga., in 1925 and was widely known throughout the Glades area as a vegetable produce buyer and broker.

He is survived by his wife, Mrs. Mattie L. Barwick and two daughters, Miss Betty Jo Barwick and Mrs. Joe Hutton, II, all of Pahokee; also by his parents, Mr. and Mrs. C. S. Barwick, Thomasville, Ga.; three brothers, Albert and Gene Barwick, Pompano, and E. J. Barwick, Thomasville; and one grandson, Joe Hutton, III, Pahokee.

Active pallbearers were L. J. Fraser, Max Beverly, Rudy Faulk, Joe Hutton, Sr., C. A. Thompson and Roy Vandegrift, Jr.

Honorary pallbearers included Rupert Mock, Donald Kepp, R. B. Mackey, E. L. Pope, Graham Mole, William Bloom, O. B. McClure, Lewis Friend, Frank Friend, R. J. Simonson, W. G. E. J. Jackson walked Monday forenoon from Pahokee to Belle Glade, on the grade on the road that is to be built between those towns. He took his gun and dog and walked leisurely and made the distance between 8 o'clock in the morning and noon, he says. On section 8, the Freeman place, he saw a man plowing; that was the only dry land he noticed. He saw some very large wild hogs and it was hard to keep his dog from chasing them.

The lake shore dike between Hillsboro canal and North New River canal broke Thursday morning, according to word that reaching Canal Point yesterday just before noon.

The break probably was caused by wind raising water in the lake. There was a 6-foot head on the lake side of the dike, the pumps having lowered water on farm land

inside the dike.

Fear was expressed at Belle Glade Monday that the dike would not hold.

Mrs. Wilda Friend, who has been visiting her folks for a few weeks is now working for the Florida Light & Power Company in West Palm Beach. She spent Sunday with her folks. Mr. and Mrs. Frank Friend and family.

H. C. Graham is working at Belle Glade on a dredge, which is throwing up rock for the Pahokee-Belle Glade road.

C. A. Shive and Duncan Padgett are clearing land near the sugar mill for farming.

O. B. McClure, Frank Friend, R. J. Simonson and Dr. W. H. Lair have found enough dry land on section 5 to plant a pretty big garden.

W. H. Willis, well known in East Beach and South Bay communities has become a salesman for the Exotic Gardens, which is to have a warehouse at Belle Glade.

Miss Evelyn Wiley has arrived to take charge of the fourth and fifth grades in the Pahokee school. Miss Wiley comes here from Colorado. While here she is staying at the home of Mr. and Mrs. A. R. Rice.

Mr. and Mrs. R. J. Boyd and Miss Hazel Boyd of Vero Beach have been visiting a few days with Miss Tommie Gray. When they returned Saturday Miss Gray accompanied them home for a short stay.

Mrs. J. R. Poland is visiting with her daughter, Mrs. Gladys Spangler in West Palm Beach.

Mr. and Mrs. W. A. Dowling and family moved to Port Mayaca Monday. They intend to farm there this winter.

W. E. Bordon and Miss Julia Wilder were married Saturday, September 11, in Okeechobee by Judge Durrance. They will reside in Canal Point at present.

Mrs. Earl Lewis is visiting relative in Plant City.

There is prospect of good business in coon hides when the coon

hunting season opens in about sixty days. Jack Oliver, hardware salesman says he has sold more game traps than in any previous season. Miss Maud Wingfield, who runs a general store at Bitta, on the southwest side of the lake, retails more coon and other traps than any other dealer in this region.

The regular M. E. Church services will be held Sunday school 10 a. m.; preaching service 11 a. m.; union service, 3 p. m.; evening service, 8 p. m.

Woman's Club Has First Fall Meeting

The executive board of the Pahokee Woman's Club at the first luncheon meeting of the season held at the clubhouse Tuesday noon, voted to support a program of relief for Korea and named Mrs. G. H. Tucker, Sr., finance chairman in charge of raising funds for this project.

Mrs. W. H. Rogers, welfare chairman, reported club members are supporting a movement to have meat prices rolled back to the November, 1950 level by sending letters requesting the roll-back to senators and congressmen in Washington, D. C.

Mrs. R. J. Schroder explained the speaker bureau that has been set up by the General Federation of Woman's Clubs to provide outstanding speakers for local club programs.

Mrs. J. R. York reported on legislation passed to provide medical care for the mentally ill. She also gave a report on the Glades Health Clinic of which she is a

member, representing the club. The General Federation's movement to help check the spread of dope by quarantining dope addicts was explained to the group by Mrs. John Sutterfield. Members voted to sponsor the showing of an educational film on "Breast Cancer" in the near future. Mrs. Robert Hutton and Mrs. Norman Kennedy were named on the

committee in charge of making arrangements for the film which will be shown by Mrs. Ann MacWithey of West Palm Beach. Members of the Beta Sigma Phi Sorority and the Everglades Business and Professional Woman's Club will be invited to see the film.

Says **DANIEL F. HOWARD, JR.** of New York City, "The Blindfold Test convinced me! The new Dodge Oriflow Ride really levels out the worst kind of bumps and ruts," continues Mr. Howard, "No ride has ever been so smooth."

Come in! Try it!
**FEEL HOW NEW ORIFLOW RIDE MAKES
ROUGHEST ROADS BOULEVARD-SMOOTH!**

Here's something new and wonderful in riding smoothness you notice from the very start! Blindfolded you ride over a bumpy road. You're told the ruts are there — but you don't feel them! Gone is the pitch, bounce and jar you experience in other cars as the new Dodge Oriflow Ride levels out the rough spots. And with

blindfold off you'll be amazed you traveled over such bumps and chuckholes.

Words alone can't tell it all! That's why we invite you to take this daring "Blindfold Test" today. You could pay up to \$1,000 more for a car and still not get all the extra roominess, ease of handling, famous Dodge dependability!

Christian Science Group Of Canal Point

Those attending Christian Science services next Sunday will hear that as individuals forsake their belief in the supposed substantiality of matter their perception of the things of Spirit will grow clearer. "SUBSTANCE" is the subject of the Lesson-Sermon. The Golden Text is from Hosea: "Turn thou to thy God: keep mercy and judgment, and wait on thy God continually" (Hos. 12: 6). Bible selections include a passage from Psalms: "The glory of the Lord shall endure for ever the

Lord shall rejoice in his works" (Ps. 104: 31).

Correlative readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Truth, Life, and Love are substance, as the Scriptures use this word in Hebrew: 'The substance of things hoped for, the evidence of things not seen.' Spirit, the synonym of Mind, Soul, or God, is the only real substance. The spiritual universe, including individual man, is a compound idea, reflecting the divine substance of Spirit" (p. 468: 18).

Missionary To Talk To Pahokee Circle

The Fay Taylor Circle of the Pahokee First Baptist Woman's Missionary Union is sponsoring a tea in honor of the circle's namesake, Miss Fay Taylor, missionary to China who has returned to the United States.

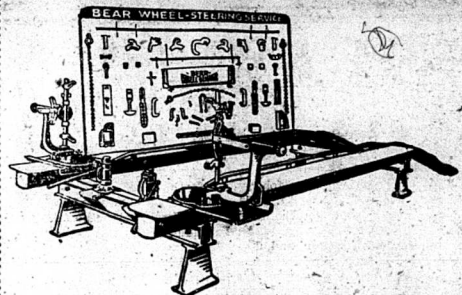

Miss Taylor will give a talk on her experiences in foreign mission work at the church on Monday, Sept. 17, following which the tea will be held in the Woman's Club building. All members of the Pahokee, Canal Point and Belle Glade WMU are invited to attend.

Judy Buchanan Heads Youth Group

Judy Buchanan was selected president of the Canal Point Methodist Intermediate Youth Fellowship group at a meeting at the church Sunday evening.

Other new officers chosen were Helen Sheppard, vice president; John Howard Hooks, secretary-treasurer. Mrs. J. P. Parker will continue to serve as counselor for the group.

A report was given at the meeting on the progress being made on the youth tabernacle project.

Power Company To Pay \$500 Month For 30 Years Franchise

Preliminary steps to grant a 30-year franchise to the Florida Power and Light Company to furnish electric service to the City of Pahokee were taken by the City Council Monday night when it passed an ordinance authorizing the franchise. The 30-year contract will not become legal, however, until it receives the approval of a majority of city voters at a special election to be held Tuesday, Oct. 16. If the franchise is approved by the voters the company will remit to the city six per cent of its residential and commercial billings within the city limits, which at the present rates will amount to approximately \$180,000 over the 30-year period.

It was announced starting in December the waterworks department will charge the Pahokee Housing Authority only 50 per cent of the total water bill at the Everglades and Pahokee migratory labor camps the remaining 50 per cent to be credited toward payment of the \$7,600 still outstanding on the cost of laying the water main to the two camps. When this payment is completed the city will own the water main, supplying the camps in its entirety.

Waterworks Superintendent R. J. Schroder was authorized to make arrangements for the sale of a small city-owned diesel power plant to the Sutcliffe Electric Company of West Palm Beach, the money received to be put into the special reserve account of the waterworks department.

The Council decided to extend garbage pickup service to four houses beyond the city limit on Bacom Point Road after hearing a

request by Milton Douglas, representing residents in that area, for this service.

Mrs. Ruth V. Meredith was granted \$2 a week transportation expense allowance in her park supervision work.

It was announced an ordinance will be drawn up soon covering rules and regulations for trailers and trailer parks within the city limits. This announcement was made following a discussion of the subject at the meeting.

Vesper Choir Plans Several Events

The Pahokee Methodist Church Vesper Choir is composed of young people. It was organized two years ago, and has been an active and vital group in the services of the church each Sunday evening. Choral work of the choir includes old favorite hymns of the church, anthems, negro spirituals, cantatas and minstrels, one of which was given last year at the Veteran's Hospital in Coral Gables.

This summer they were entertained for two days at the cottage of Rev. and Mrs. Ralph Todd at Mt. Plymouth, Fla. A Hobo party was also enjoyed by the group with a Scavenger hunt as the feature of the evening. A "work" party, involving two nights, was given for a group that met at the church to scrape off old linoleum from the kitchen floor. Many interesting activities for pleasure and profit are being planned for the near future.

A minstrel will be put on soon in Pahokee and later at the Veteran's Hospital in Coral Gables.

The following officers volunteered to serve for various duties of the choir: secretary of choir roll, Evelyn Vann; secretary of P. V. A. System, Phoebe Ann Ramey; this office seeks to promote interest between parent and Vesper Choir member; librarians, Dorothy Fields, John Rogers, and

Donald Pickett.

Volunteering as Sunday Evening song leaders were the following: Lovda Williams, Dorothy Fields, Martha Hall, Carol Carpenter, Louise Hutton, Mary Hall, Donald Pickett, Bobbie Schroder, and Jack Bolland.

Rita Faye Hurt serves as organist for the choir and Roberta Hutton as pianist. Mrs. Mildred Todd is director.

County Agent Tells Canal Point Lions Of Cattle Industry

M. U. Mounts of West Palm Beach, County agriculture agent, spoke on "The Relationship of the Cattle Industry to Glades Farming" at the dinner meeting of the Canal Point Lions Club Monday night. Introduced by Alton Jones, program chairman, the speaker pointed out the increasing number of Glades growers who are diversifying their farming activities by raising cattle as well as growing cotton has a tendency to diversification has a tendency to stabilize the agricultural economy of the Glades, especially during times when disaster wipes out the vegetable crops.

It was announced the Canal Point Lions will hold their ladies night program at the County Park community building on the night of Sept. 17. A reception will also be held for the teachers of the Canal Point School who will be special dinner guests. Next Thursday, Sept. 20, the Canal Point Lions Club will meet jointly with the Pahokee Rotary Club at a luncheon in the community building and the club will not meet the following week.

Charles Sears, son of Mr. and Mrs. H. H. Sears of Canal Point, will leave Sunday for Gainesville where he will enter the university as a freshman.

Mrs. Paul Tillery Heads Hayes Circle

Mrs. Paul Tillery was elected chairman of the Helen Hayes Circle, First Baptist WMU, at a meeting at the home of Mrs. Roy Stamps Monday night.

Other new officers elected were Mrs. Farnk Tillis, co-chairman, and Mrs. Roy Stamps, secretary-treasurer. Mrs. Charles Wilkinson, Mrs. David Unwin and Mrs. Don Collier were on the nominating committee which recommended the new slate of officers.

It was announced the circle's portion of the State mission program will be presented at the church on Friday, Sept. 21.

The last half of the study course, "O Jerusalem, Our City for Christ," was presented by Mrs. R. O. Lampl and Mrs. Don Collier gave the devotionals.

The circle voted to change its meeting date to the second Tuesday of each month, the next meeting to be held at the home of Mrs. Paul Tillery. Refreshments were served by Mrs. Stamps.

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

Easy Makes His "Cat" Tread Lightly

Driving home on Three Ponds Road yesterday, I was flagged down by Easy Roberts' boy Skeeter. "Take it slow," he advised. "Dad's crossing this road with our tractor, just beyond the bend."

Around the curve I saw why. Skeeter stopped me. Easy had laid two rows of old truck tires across the road, and was driving his new "Cat" tractor over them!

"More trouble this way," Easy explains, "but it does keep those tank tracks from tearing up the asphalt when I have to cross over to our other fields, after all, the

roads belong to all of us—and I guess I'd get mad if someone else chewed them up."

From where I sit, Easy is my kind of citizen. He doesn't just give democracy lip service. He honestly believes it's his duty to consider the other fellow's interests. Whether it's the right to use the public highways or the right to enjoy an occasional glass of beer, Easy's out to protect his neighbor "right of way."

Harry Fremd Commissioned Ensign In Navy Blue Devils Short

Miss Dorothy Copeland of Greensboro, N. C., is following the traditional naval custom of pinning the shoulder boards on Harry L. Fremd, Canal Point, Fla., who has just been commissioned an ensign in the U. S. Navy in a ceremony conducted in the Naval Armory at the University of North Carolina. Ensign Fremd, who completed his NROTC training in June, received his commission following his graduation from the University with an A. B. degree in political science at the completion of the Summer Session. He has been ordered to report to Amphibious Forces, Atlantic Fleet, for duty aboard the USS Achernar following a furlough in Canal Point with his parents, Mr. and Mrs. Albert Fremd.

Foot Ball Clinic Scheduled Tonite

Something new for the Glades—a foot ball clinic—will be held tonight at Memorial Field in Belle Glade. Clewiston, Pahokee and Belle Glade teams will give demonstrations of their foot ball prowess and officials will acquaint spectators with the duties of an official and signs used to denote penalties.

A slight charge of 50c will be made for those who wish to attend and the money derived therefrom will go to defray expenses of the annual banquet given the Pahokee and Belle Glade teams each year.

The clinic will prove of interest to all who attend but outstanding during the evening will be a touch foot ball game between the two sponsoring organizations—the Pahokee Lions and the Belle Glade Lions. This affair should well be worth the price of admission.

Miss Nancy Hillier enrolled for her junior year at the Mt. Verde School the past week. She was accompanied to the school by her father, Don Hillier, and Mrs. Hillier.

Joint Meeting Of Service Clubs To Be Held On Sept. 20

A joint meeting of the three service clubs in Canal Point and Pahokee will be held Thursday, Sept. 20 at the Community Building in County Park at Canal Point, it has been announced by Rotarian John Dulany whose committee is in charge of arrangements. The Lions of Canal Point, Rotarians of Pahokee and Lions of Pahokee will participate.

Charles Moorehead, attorney of Miami who is said to be one of America's outstanding tax experts, is scheduled to do the talking. He will talk on the ever interesting subject—income tax. R. B. Walker of Hollywood and Mr. Hayes, a Miami banker, will accompany the speaker to Canal Point.

Mr. Dulany is anxious that as many of the service club members as possible be in attendance for the meeting. He suggests that those interested and who care to, take along a guest.

Jernigans Witness Christening Rites

Mr. and Mrs. W. F. Jernigan and children, Billy and Mary Eleanor, former Canal Point residents now living in Clewiston, were guests Sunday of Mrs. Jernigan's brother-in-law and sister, Mr. and Mrs. A. R. Harrington, in Canal Point. While here they attended the christening ceremony for A. Roswell Harrington, Jr., held at the Canal Point Methodist Church, with Rev. J. R. Roy officiating.

Mrs. Harlan Sears of Canal Point and Mrs. Marion Hamilton, her sister, of West Palm Beach, will leave Monday to take Harlan Sears and Stanley Hooks to Emory University in Atlanta. On the return trip Mrs. Sears and Mrs. Hamilton will stop over in Dublin, Ga., where they will visit their mother who is ill.
